Des Plaines, Illinois, 60016-1231

Phone: 847/826-0584 Fax:847/803-8669

CEO: Michael E. Schack MA, MBA

Dear District Administrator:

We want to start this school year by thanking you for referring students to our SHORT TERM ALTERNATIVE RESPONSE PROGRAM AKA "STAR" program. STAR is a Keystone Educational Management service established to provide a quick and effective option in lieu of suspension or expulsion. In addition, STAR performs diagnostic evaluations about the student, family and case dynamics. Recent legislation has brought more pressure on our Districts and we are interested in discussing how we can work more in concert as we help to improve the lives of our more challenged children

Please sign below indicating your agreement to NOT claim STAR student days or costs under article 14-7.02 and return to Diane Malek at the above address. You can also email signed form to dmalek@josephacademy.org or call 708-345-4500 with questions.

Date

Signature of District Director of Special Education

Please be aware that our accountants will send a form at the end of the school year, in June, to verify the number of 14-7.02 days claimed.

Sincerely, .

Mike Schack
