Therapy & Curriculum Updates

TESS students at JAHN have been busy preparing for future job placement and career opportunities. A major factor in that prepping is the Hilton Hotel internship that was recently completed. Learning on the job basics and techniques is a very valuable experience to add to any resume. We look forward to actual job placement at the Hilton in the spring.

Mr. Waski's class at JAHN is off to a good start this semester.

Physics students are learning about energy; Algebra students have been working on graphing linear equations; Career Ed & Economics students just completed their Shark Tank Project, where they formed their own companies and presented their information to the class in the form of a mock trial.

The JAHN book club will start to read *The Talisman of Elam* by Jim Mastro together once per month. Participants both in middle school and high school will discuss the plot, theme, and feelings about the story line and the characters.

Community Sponsors

The administration at JADE continues to actively participate in the local Chamber of Commerce and hosted a very informative "Networking After Hours" meeting in December. Attendees enjoyed networking, tours of the school and Maggie. Maggie is the school's therapy dog who takes great pride in her role at the school.

Educational Field Trips & Fun

Congratulations to the JAHN Volleyball team who won the Sportsmanship Award for the season! As a reward, the students and coaches each received a CAAEL T-Shirt!

Eligible students grades 6th and up will participate in the annual
